Dear Brethren,

We have just concluded a gospel meeting with Nestor Sanchez, a good friend of mine for many years. Nestor preaches in Arica, Chile (a city located on the northern border of Chile with Peru). These last few years, he has carried the gospel to many different countries. During our gospel meeting, four people from the community came and one student from our home Bible studies also attended. The lessons encouraged us to be strong in our endeavor to serve the Lord faithfully.

Moreover, Nestor preached for the congregation in Villa Mercedes on this trip to Argentina. We are grateful that Nestor could work for a few days with this young church that the men from Mendoza have been visiting regularly. David Rodriguez, who labors with the group in Villa Mercedes, made the trip to be with us during our meeting with Nestor.

Our Bible studies in different homes keep us busy. We are grateful that we can teach the will of God to others. At this time, we are studying the book of Acts with three contacts. With each class we try to highlight a different conversion in the book, what gospel preachers have been doing for years. Having studied the gospel of Luke with each one, it should be easy for them to analyze these events and their personal need to respond to the gospel in the very same way as those men and women of the first century. We ask you to pray that these three individuals will come to obey the will of the Lord and so share our great treasure in Him.

God has blessed our family. Sarai, our oldest daughter, has given birth to her second son. His name is Giuliano. Both mother and child are well. Jorge and Sarai are very grateful to have another child in their home. Maria and I share their joy. We are thankful that the Lord has given us two healthy grandsons.

I would like to thank each of you for your interest in our work. Your prayers in our behalf and your support are a source of inspiration to us in this holy endeavor to reach the lost. May God be praised for each demonstration of your genuine love for the work of the Lord in other places. May God lift up His face on all your efforts to carry the gospel to others.

May the hand of God be with you,

Fernando Venegas P.
