

Dear Bro. Rutter and Brethrens,

Greetings to all brethren there in the name of our Lord Jesus Christ and I received your support. Last month of October 4 and 11, two successive Saturdays, I was with Bro. Jojo, Rey and we have our Radio Program and we taught the Word of God. There are plenty of listeners in our Radio Program, that's why we are very happy about it.

The following day, (Sunday Worship), October 5 and 12, I already have two consecutive Sundays and important topics that I have been discussing to our brethren. I was very glad with our brethren there in Pampanga and in Pulilan, Bulacan. In spite of poverty in life our brethren there did not forget to worship our Lord Jesus Christ and some visitors.

Last October 19, Bro. Rey asked me to have preaching at Pavia, Tondo Manila congregation because he was sick. He was taken to the hospital on that day. So, I was the one who went to teach our brethren there in Tondo, Manila congregation. I was very happy to see the outcome of my teaching because of the cooperation of our brethren there in Tondo, Manila. After that, I proceed to Pulilan, Bulacan and again I teach the gospel of God there. On October 26, I again preach in Pampanga and Pulilan Bulacan. And every Wednesday we continue our Bible Study in Tondo, Manila. And also Thursday, we again have our Bible Study.

This is all for now, and God Bless.

In the Love of Christ,

Romeo A. Agulto

P.S

Brethrens, Last November 11, 2008 I was operated of a CYST in my nape. Thanks God that my operation was very successful and in truth I was suffering this hard thing in my nape long time ago. But now, I was already fine and thanks to the God,

Still, my problem is my balance to the Doctor who operated me. I am looking forward if you can still help and gave me some amount that I need to pay my balance. I am very grateful enough and I hope and pray that in God's will you can help me and spare me some amount. THANK YOU VERY MUCH...

I have also attached here the copy of my medical certificate. Thank you....
