Dear Brethren in Christ:

It is good to have the opportunity to send you another report, brethren. I pray that you continue being well. I have received my May support yesterday. I also hope you have received my previous e-mailed report with the attached pictures.

We have successfully baptized the new sister in Christ (sister Venice) in Taligan the very day I sent my last report to the Kettering church. And another good news happened a week after - her older sister has also obeyed the Lord in baptism. To God be the Glory! We also have another new old lady visitor.

The Nangalanan Church of Christ Gospel meeting went well last May 23. I preached on "Why the Church of Christ is different from denominational groups" pressing on Her Bible-based doctrine and practice. I encouraged the members to be firm in this principle and the visitors to follow that same principle. I estimate about almost a hundred in attendance. 2 souls were baptized.

I was also privileged to be one of the speakers in a whole-day lectureship in Tuguegarao City last May 26. The theme was on "Unity". I spoke on "Maintaining Unity in Diversity of Opinions." I estimate more than 100 in attendance. 2 souls were also baptized. The next day, May 27 was a debate of a fellow-preacher with a Baptist minister on the same venue. The subjects being discussed were about the church and baptism.

On personal note, as our Manila trip for the follow-up check-up of my wife is nearing, I am in the process to remedy our needed funds. My family is in a harder situation as we enter the 2nd half of this year.

Cost of living is getting higher each week and another individual supporter has ceased for 3 months now. I really need someone to help me find a replacement and/or additional support; whoever he is I do not know. I have to do more secular work these days to make both ends meet. I will deeply appreciate any assistance from generous brethren.

Thank you again for your time in reading my report brethren. I also thank you for your continuous brotherly love and generosity.

Your Brother in Christ,

Larry B. Guillermo
