

Dear Bro. Rich Walker and brethren,

Good day to you...A blessed Happy New Year to you and to all our brethren there, Hope you are in good health as well as your whole family and brethren. And I received your support for the month of December.

Last month of December is a very successful month for the teaching of the Gospel of God to our brethren in the congregation of Pampanga and in Pulilan, Bulacan. Our brethren are continuing their effort in learning the word of God. Last December 7 one of the most important thing that I did was to taught our brethren with the theme entitled: **“Following the footsteps of Jesus”**(1Peter 2:21)

- 1.) Recall at this time the previous lesson showing how Christ suffered for us
- 2.) This lesson show that we are to be willing to suffer with Christ (1 Peter 2:21, 4:1, 4:13)

And the day of December 14 we again have a discussion by this time the topic was entitled: **“Silas”**

(1 Peter 5 : 12)

- 1.) Much profit can be had from studying certain characters in the Bible
- 2.) Silas was an eminent member of the early church.

At December 21 topic was: **“Enoch”** (Hebrews 11 : 5) “Our text in Hebrews tells of an Old Testament character by name of Enoch.” Lastly on December 28 the topic was “Joseph Faith” (Hebrews 11: 22).

Last December 20 and 27 Saturday we continued our Radio Program and we taught the word of God.

Until then.....and best regards to all.....

In the Service of Jesus Christ,
