

Brothers and Sisters in Christ,

Thank you so much for the generous support of \$200.00 you provided me with. We pray you are all doing well and being blessed in your diligent work in the Kingdom.

The work here in Waverly, OH has been going well. We had an excellent meeting with Andy Alexander and had several nonmembers from the community attend just about every evening. One gentleman seemed particularly interested (he took vigorous notes throughout the lesson). I'll be following up this week by handing him a recording of the lesson and seeing if we can set up a study. We had spent several weeks prior to the meeting working in the community to advertise the meeting. We spent one weekend door knocking and putting up door hangers and another weekend setting up a booth at the annual Dogwood festival advertising and enrolling in correspondence courses. We had 5 sign up and so far two have come back requesting more lessons.

We've had a few responses from the advertisements I posted around the community for a free CD on Angels. When they call in a request, I send the CD along with lesson 1 of a 7 lesson correspondence course. We had one request at the beginning of the month and another one last week.

Our Wednesday adult class on the Holy Spirit continues to go well. I've also begun teaching a class on Romans on Sunday morning and will be going through the epistles. I've also recently begun having personal studies with a brother in the congregation who has been struggling with his faithfulness.

Thank you so much again for the generous financial support. It seems we've had several open doors for opportunities to reach the lost and pray we will see good results from these efforts. We pray you will continue to be blessed in all you do and for continued success in your work in spreading the gospel.

Much Love and Thanks,  
Daniel L. Ruegg
